TEN STEPS

Remain the same throughout all repetitions for both partners

1-2 Extend left heel forward and touch, close next to right

3-4 Touch right toe back, scuff right forward

5-6 Extend right heel forward and touch, hook right over left leg

7-8 Extend right heel forward and touch, close next to left

9-10 Extend left heel forward and touch, hook left over left leg

COUNT 11-18 VARIATIONS

REPETITION #1

11-18 Both partners shuffle forward left, right, left, right, left, right, left, right, left, right, left, right

REPETITION #2

11-18 Outside partner (lady) does two complete turns (four shuffles), dropping left hand and initiating turn to the right. Inside partner (man) shuffles forward left, right, left, right, left, right, left, right, left, right, left, right. Partners rejoin hands in sweetheart position

REPETITION #3

11-18 The lady shuffles forward two times, turning to the left ½ turn to face man. Both partner's right hands go over the head of the lady. The partner's wrists are now crossed in front of them. The lady shuffles back two times. The man does four small shuffles forward during this repetition

REPETITION #4

11-18 The lady shuffle turns ½ to the right. Both partner's right hands go over the head of the lady. Now the lady is in front of the man and their hands are held at her shoulders. They complete the shuffles moving forward

REPETITION #5

11-18 The lady shuffle turns to the left to go behind the man. Both partner's right hands go over the head of the lady and then over the head of the man they complete their shuffles with their hands held at the shoulders of the man

REPETITION #6

11-18 The lady shuffle turns forward and to the left, one full turn to return to her original position. Both partner's left hands go over the head of the man and then over the head of the lady. They complete their shuffles forward
