

WYRESDALE GREENSLEEVES DANCE

"OLD MAN'S JIG"

This dance is unique - it is the only example of English Folk dancing that can in any way be considered clownish. It is still performed in the Wyresdale district on Holidays and for festivals. The tune and dance is traditional and comes to us from James Winder who learned it from his father and found the tune in an old manuscript music book.

Recording - "Greensleeves" RCA Victor 21619 B.

Music: Piano

Morris dance tunes Set X p 18 "Greensleeves"

Formation: Three men in a circle
