

Gypsy Polka Mixer

(U.S.A.)

This is an easy polka mixer choreographed by Richard Powers and based on John Filcich's much longer (48 bar) Tamburitza Polka, presented at Stockton in 1954. The name affectionately refers to the 1950s when many high-energy folk dances were whimsically called "Gypsy."

Music: 4/4 meter *Richard Powers 2011 CD, Track 9*
"Zydeko Polka" by Cirque du Soleil, 118 BPM.

Formation: Couples taking hands in a single circle, W on M's L as in La Bastringue.
