

Ja sam sirota, neman nikoga,

*(I am an orphan, I have no one)*

\\Oce neman, majke neman, ja sam sirota\\

*(No father, no mother, I am an orphan)*

Sirodice ti, nemoj plaketi,

*(You poor girl, don't weep and cry)*

\\Ja cu tebe poljubiti, pa ces cutati\\

*(I shall kiss you, then you will not cry)*

Ja sam sirota, al' sam bogota

*(I am an orphan, but I am rich)*

\\Jer je ljubim jednog momka crno oka dva\\

*(For I have the love of a boy with two dark eyes.)*

*(from miriam berg's folk dance song collection)*
